## Swimming Pool Complex Programs

### Pine Bluff Arsenal Swimming Pool Complex:

The Pine Bluff Arsenal Swimming Complex consists of swimming pools, a splash park, a bath house, and a concession.

There are two swimming pools: one pool has a 10 foot deep end and a large shallow area perfect for younger swimmers, the other pool is 8 feet deep and has lanes for lap swimming!

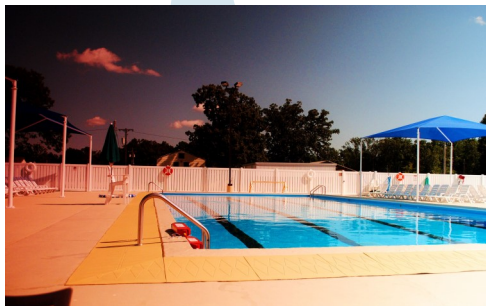

The splash park has many fun attractions that spray water or dump it on you! There are outdoor showers, a water fountain and a covered seating area with fans by the concession!

Our concession, located pool side, serves a variety of food and drink items. Cash, check, and credit/debit cards are accepted.

#### Background Checks:

All persons ages 16 and over must complete a background check at our Pass and ID office to gain access to the Arsenal. This makes the pools on the Arsenal extremely safe! You will know that you and your family are surrounded by others who cleared background checks, and that extra security measures have been taken on Arsenal grounds!

Once the background check is cleared, you can come to the Fitness Center to purchase your pass.
